PART 2. OWNED PERSONAL PROPERTY

Report all personal property owned by you and used or held for use in your business or profession as of January 1, including items fully depreciated on your accounting records. Do not report inventories of merchandise held for sale or exchange or finished goods in the hands of the manufacturer.

Personal property leased or rented and used in your business must be reported in PART III of this schedule and not in this section. Property on which you wish to report a nonstandard value must be reported in PART IV of this schedule and not in this section. Qualified pollution control equipment must be reported in PART V of this schedule.

A separate schedule should be filed for each business location.

List the total acquisition cost new for each group below by the year the property was new (typically the year made) in the REVISED COST column. For property purchased as used, if the cost new or year the property was new is not known and cannot reasonably be determined, you may report the actual acquisition cost to you for the year you acquired the property. If COST ON FILE is printed on the schedule, you need only report new cost totals in the REVISED COST column resulting from acquisition or disposition of property.

An ASSET LISTING should accompany this schedule. This can be faxed to (615)880-2333 or emailed to personal.property@nashville.gov.

ALTERNATIVE REPORTING FOR SMALL ACCOUNTS - If you believe the depreciated value of your property is \$1,000 or less you may use the Small Accounts Certification (reverse side) as an alternative to reporting detailed costs below. With this certification, subject to audit, your assessment per this schedule will be set at \$300
